

Important Notice: Traffic Restrictions and Hotel Access for the Tokyo Bay Fireworks Festival

September 16, 2026

The 80th Anniversary of Chuo Ward System/80th Anniversary of Minato Ward Government Tokyo Bay Fireworks Festival will be held on Saturday, October 24, 2026.

On the day of the event, significant congestion and extensive traffic restrictions are expected around the hotel, and access will be limited to the main entrance on the first floor.

Guests planning to visit the hotel are therefore advised to take note of the information below and allow extra time for their journey.

1 Event Overview

Date and time: Saturday, October 24, 2026, from 5:30 p.m. to 7:00 p.m.

Launch site: Offshore from Harumi Pier, Tokyo Port

- The festival will be cancelled in the event of severe weather and will not be rescheduled.
- A decision on whether the event will proceed is expected to be announced at 8:00 a.m. on the day. Please note, however, that the event may subsequently be cancelled due to changing weather conditions.
- For the latest information, please visit the official Tokyo Bay Fireworks Festival website: <https://tokyo-hanabi-festival.com/>

2 Restrictions on Hotel Entrances

To help alleviate congestion and ensure the safety of all guests, access to the hotel will be restricted as follows:

- Main entrance on the first floor: Open as usual
- Entrance on the third floor: Closed throughout the day. Please use the main entrance on the first floor when visiting the hotel.

Note: The hotel shuttle bus will operate as usual.

3 Traffic Restrictions

Traffic restrictions, including road closures and lane restrictions, will be in place on roads around the hotel and on sections of the Metropolitan Expressway. As a result, heavy congestion is expected, and journeys to and from the hotel by taxi or private vehicle may take considerably longer than usual.

The public car park beneath the hotel will remain open as usual but is also expected to be particularly busy. We therefore recommend using public transport wherever possible.

The details and times of the traffic restrictions are subject to change. For the latest information, please visit the official Tokyo Bay Fireworks Festival website:

<https://tokyo-hanabi-festival.com/venue/#transportation>

4 Pedestrian Access and Nearby Stations

Guests Arriving via JR Hamamatsucho Station

- The pedestrian deck from the North Exit is expected to be crowded, and access may be restricted in some sections.
- Please follow the directions of security personnel and event staff, exit the deck at street level, and proceed to the hotel's main entrance on the first floor.

Guests Arriving via Takeshiba Station on the Yurikamome Line

- The waterfront-side exit at Takeshiba Station will be closed to the public, as it will serve as an entrance to the fireworks viewing area. Heavy congestion is expected around the station.
- From 8:00 a.m., the route to the right after exiting the ticket gates will be closed. Please turn left and follow the alternative route to the hotel.
- Takeshiba Station is also expected to be crowded after the fireworks display. We recommend using JR Hamamatsucho Station for your return journey.

5 Admission and Tickets for the Fireworks Display

- Admission to the Tokyo Bay Fireworks Festival is by ticket only. Tickets will not be available for purchase on the day of the event.
- Guests without a valid ticket will not be permitted to enter the designated viewing areas.
- Stopping to view the fireworks from pavements, roads or other public thoroughfares is prohibited.
- The hotel grounds and shared areas within the hotel, including the lobby and connecting passageways, are not designated viewing areas for the fireworks.
- Those without a reservation or other reason to use the hotel's facilities are kindly requested not to enter or remain on the hotel premises for the purpose of viewing the fireworks.

We sincerely apologize for any inconvenience this may cause and greatly appreciate your understanding and cooperation in helping us ensure the safety of all guests and the smooth operation of the hotel.
